In consideration of the Supplier granting the credit account, the Customer agrees to grant, and/or procure the grant of security in all present and future assets, whether in the form of charges, liens, or encumbrances, to the Supplier to secure the repayment of the amounts due to the Supplier from time to time. Where any such security is a security interest within the meaning of the Personal Property Securities Act 2009 (Cth), the Customer hereby waives their right to receive notice under s157 of the Personal Property Securities Act 2009 (Cth). **4.4** Without limiting the security in clause 4.3, the Customer agrees, on request by the Supplier, to execute any documents and do all

**5. Retention of title**

**5.1** The Supplier shall retain legal and/or equitable title in any Goods supplied to the Customer until payment in full for the supply of the Goods has been received. **5.2** Notwithstanding the Supplier's retention of legal title in the Goods, the Customer may sell such Goods or use the Goods in the ordinary course of the Customer's business. While the Customer sells/processes the Goods as principal and not as agent of the Supplier, the proceeds of sale of each item of Goods must be held by the Customer in a separate fund on trust for the Supplier and the Customer is under a duty to account to the Supplier for such proceeds. The creation of, or any failure of, any such trust shall not limit the obligation of the Customer to pay an amount to the Supplier for Goods supplied. **5.3** Until the Goods are sold/used, the Customer must store the Goods as how the Supplier directs/as required by law with due care, clearly designate the Goods as the property of the Supplier, store them in such a way they are clearly identified as the property of the Supplier and keep full and complete records of the location and ownership by the Supplier of the Goods. **5.4** The Supplier is irrevocably entitled at any time before the sale of any item of Goods by the Customer to inspect or to recover and retake possession of such Goods and otherwise exercise in relation to the Goods any of its rights whether those rights are as owner and/or unpaid Seller or otherwise and whether those rights are conferred by common law, contract, statute or in any other way. In order to exercise such entitlement, the Supplier and its agents are irrevocably authorised by the Customer to enter any of the Customer's premises or vehicles or those of any third party. The Customer agrees to obtain the consent of any such third party to such entry by the Supplier and to indemnify the Supplier and its agents for any liability arising from any entry upon such third parties' premises or vehicles. The Supplier is not liable for any damage to such premises caused by the removal of the Goods. **5.5** This reservation of title and

ownership is effective whether or not the Goods have been altered from their supplied form or commingled with other goods.

**6. Security interest**
